July 31, 2012

Notice

Dear Students,

Please note the following:

1. All students who are interested in applying for electives at UMASS, UIC and Louisville are directed to apply through Quality Enhancement Cell, DUHS. They are not allowed to approach these universities directly as the focal persons in these universities have strictly forbidden entertaining any inquiry related to clinical electives there that reach to them unofficially.

2. Induction for UIC for the year 2012-13 is over. For the next induction for UIC or for UMASS and Louisville, the minimum criteria are CGPA not less than 3.5 and TOFEL with 100 plus score out of 120. Short listing will be based on top most CGPA and TOEFL scores. Only 4th year and final year students can apply.
