DOW UNIVERSITY OF HEALTH SCIENCES

SCHOOL OF POSTGRADUATE STUDIES

	technologies	
	Simulation in Health Professions Education	3
	Educational Leadership and teamwork	3
	Trends and opportunities in HPE	3
	Research project or Thesis defense	3/6
Assessment of Student	In each module, the participants will get assignments which have to be completed, preferably, within the time frame allotted. Learners will be informed of the minimum pass grade for each module with the study guide which they will receive before the start of that module. The contact periods will also be graded. Marks obtained during contact periods and from assignments will be combined to form the final result of every module. Also, there is a Comprehensive Exam at the end of course work.
