

SOP for Applying for Clinical Electives Abroad at UIC

Final year medical students of DMC & DIMC, who are interested in applying for 4-week clinical elective for 2024-25 at University of Illinois- College of Medicine, Chicago, should follow the guidelines:

1. Download the 'Application for Electives Abroad' from the QEC-DUHS Webpage.
2. Scan copies of all marks sheets (1st - 4th year) for calculation of CGPA.
3. Scan copies of enrolment card and College ID Card.
4. Scan Letters of Reference/ Evaluation Reports, if already done some electives (local /International).
5. Email the filled application along with all the above-mentioned scanned documents at clinical.electives@duhs.edu.pk by no later than **July 20, 2024**.
6. Completely filled Application Form along with all the required documents will be accepted and entertained.
7. The merit list will be tabulated as per the DUHS criterion i.e. CGPA, from the highest CGPA to the lowest.
8. The students from the prepared merit list will be shortlisted. If any of the shortlisted student withdraws for any reason, the next student in the list will be selected.

Important Note:

Quality Assurance department is a facilitating body and placement is not guaranteed. This is an application process for consideration of placements. Direct applications and bypassing procedure and laws will eliminate the standing of the applicant in the process. We are not required to reply as to why your application was not proceeded. All the applications will be proceeded as per the merit.
