No. DDGHS (CDC)/TB CONTROL: 5734/ 5741

Dated: 7th December, 2022

To,

**Dr. Fatima Fasih  
Focal Person PRL, OICD  
Dow University of Health Sciences.  
Karachi**

**SUBJECT: PROVINCIAL CONSULTATIVE MEETING FOR DEVELOPMENT OF PROVINCIAL STRATEGIC PLAN SINDH (PSP) 2024-2026, 14<sup>th</sup> to 15<sup>th</sup> DECEMBER 2022.**

Respected,

I have honor to submit that, Pakistan ranks 5th amongst high TB-burdened countries in the world. Communicable Diseases Control (TB Program Sindh) is striving to achieve the Sustainable Development Goals & End TB targets.

Therefore, the pathway in attaining milestones and objectives of the End TB Strategy; CDC-III intends to develop the **Provincial Strategic Plan 2024-2026** in collaboration with World Health Organization and consultation with various stakeholders.

You are invited to attend the consultative meeting dated, **14th-15th, December 2022** at **RAMADA PLAZA, Airport Hotel Karachi, Address: Star Avenue, Terminal 01, Karachi, Sindh.**

Thanking in Anticipation

**DR. ALI AKBAR DAHRI**  
Deputy Director General  
Communicable Disease Control  
DGHS, Hyderabad
